

FRONT END – PART 1

STYLING WITH CSS

CSS Assignment: Added Styles to Walk Through Your First Blog Page

Remember, the blog we build in HTML. Let's design it as well.

You need to apply what all you have learned so far. You can take some help for HTML from the previous assignment.

The social div section appears to be positioned at a specific location in the blog. But actually, that is positioned 'fixed'.

Background colors for the social divs are provided below-

	Normal	On Hover
1. Facebook	#3b5998	#2d4373
2. LinkedIn	#0077b5	#00121c
3. Twitter	#83c3f3	#55acee
4. Gmail	#dd4b39	#c23321
5. Whatsapp	#6ba92f	#528124
6. E-Mail	#ed4926	#cf3311
