

FRONT END – PART 1

STARTING WITH RESUME PROJECT

Code Resume Header

You now have to create the header for your resume, i.e. navigation links and social links.

You can put your own name instead of the one in the image below.

The links for the images is provided below, since they are white in color and would not be visible -

1. LinkedIn -

https://ninjasfiles.s3.amazonaws.com/asset_0000000000000015_1549330433_linkedin-logo.png

2. Stackoverflow -

https://ninjasfiles.s3.amazonaws.com/asset_0000000000000022_1549822879_stackoverflow-logo.png

3. Google Plus -

https://ninjasfiles.s3.amazonaws.com/asset_0000000000000023_1549823282_google-plus-logo.png

4. Facebook -

https://ninjasfiles.s3.amazonaws.com/asset_0000000000000014_1549330414_facebook-logo.png

5. Quora -

https://ninjasfiles.s3.amazonaws.com/asset_0000000000000021_1549822861_quora-logo.png

The shadow used on the social icons is of the color - 'rgba(230,196,196,0.3)'.
